

Aluminum ReTee Golf Divot Repair Tool with Custom Ball Marker

Item : AL0001

New! The ReTee is a unique and useful tool that includes a Tee and Pencil Sharpener built into a classic design Golf Divot tool. The ReTee benefits the environment by allowing golfers the benefit of being able to reuse broken tees (plastic or wood) and re-sharpen scoring pencils while on the golf course.

Include your business Logo with the 1" customizable ball marker which neatly fits magnetically into the ReTee divot tool.

Multi-functional features include:

- Sharpening broken Tee's and scoring pencils on the golf course
- Best Divot repair tool with curved tine design
- 1" customizable Ball Marker which neatly fits into tool
- Golf club handles can be placed on ReTee to keep clubs off moist ground
- Clean grooves of golf clubs with ReTee tine ends
- Sturdy Aluminum Forged and fits comfortably in one's hands
- Sharpens pencils and pencil crayons
- Office Staff can use the ReTee as a letter opener as well

The ReTee is a great promotional item that shows your company cares about the environment and so unique that they won't forget who gave it to them!
